Critical documents

It is important to read/retain the following documents and keep them in a safe and convenient place:

- This document;
- Your current certificate of insurance;
- Any endorsements.

Remember to regularly review your insurance policy, particularly at renewal to ensure your insurance policy provides the cover that you currently need.

Average/underinsurance

Section 1 Material Loss or Damage and Section 2 Consequential Loss are subject to Average/Underinsurance clauses that may limit the amount we pay when you have a claim.

This will happen if you under declare values on your property on the day of commencement of the period of Insurance and the Insurer(s) have clearly notified the Insured(s) in writing of the nature of the effect of the provision including whether the provision is based on indemnity or on replacement value of the property that is the subject-matter of the contract.

An example that the effect of these Average/Underinsurance clauses can be shown below:

Examples

Section 1 Material Loss or Damage – 80% Average/Underinsurance clause

Property Assets Declared	\$5,000,000
Claim amount for Damage to your Property	\$750,000
Value of your Property Assets at the commencement of the period of Insurance	\$10,000,000
Policy Deductible	\$2,500

The Formula:

Property Assets Declared x Claim amount
80% of Value of Property Assets
less Policy Deductible
= The amount payable by the Insurer

Claim Payment Calculation:

\$5,000,000 x \$750,000
\$8,000,000

= \$468,750
less \$2,500

= \$466,250

Therefore \$283,750 will be self-insured by you under Section 1

The Average/Under-Insurance clause will not apply if the Declared Value is greater than 80% of the value of your property assets at the commencement of the Period of Insurance or if the amount of the loss is less than 10% of the Declared Value.

Section 2 Consequential Loss (Gross Profit and Pay Roll) – 80% Average/Underinsurance clause

Gross Profit and Payroll Declared	\$3,000,000
Loss of Gross Profit as a result of damage to your property	\$500,000
Value of your Gross Profit at the commencement of the Period of insurance	\$4,000,000

The Formula
Gross Profit/Payroll Declared x Claim Amount
80% Value of Gross Profit
= The amount payable by the Insurer

Claim Payment Calculation

\$3,000,000 x \$500,000
\$3,200,000

= \$468,750

Therefore \$31,250 will be self-insured by you under Section 2

The contract between you and Ansvar Insurance

In consideration of payment of your premium, we will insure you under this policy, and as shown in your certificate of insurance. Your insurance commences from the time we accept your proposal or variation and premium and concludes at 4.00pm local standard time on the dates shown in the certificate of insurance.

If the terms of this policy are not observed, cover may be reduced or cancelled.

Duty of disclosure

Before you enter into an insurance contract, you have a duty of disclosure under the Insurance Contracts Act 1984. If we ask you questions that are relevant to our decision to insure you and on what terms, you must tell us anything that you know and that a reasonable person in the circumstances would include in answering the questions.

You have this duty until we agree to insure you.

You have the same duty to disclose these matters to us before you renew, extend, vary or reinstate an insurance contract.

If you do not tell us something

If you do not tell us anything you are required to tell us, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Goods and services tax (gst)

This insurance policy has provision for payment of Goods and Services Tax:

- by you in relation to premiums
- by us in relation to claims

Reinstatement or replacement

Applicable to buildings, machinery, plant and all other property and contents; other than those specified in items (b) to (i) under Basis of Settlement.

The basis upon which the amount payable is to be calculated shall be the cost of reinstatement of the damaged property insured at the time of its reinstatement, subject to the following Provisions and subject also to the terms, Conditions and Limit(s) or Sub-Limit(s) of Liability of this Policy.

For the purpose of the insurance under this memorandum, "reinstatement" shall mean:

(a) **Where property is lost or destroyed:**

In the case of a building, the rebuilding thereof or in the case of property other than a building, the replacement thereof by similar property; in either case in a condition equal to, but not better or more extensive than, its condition when new.

(b) **Where property is damaged:**

The repair of the damage and the restoration of the damaged portion of the property to a condition substantially the same as, but not better or more extensive than, its condition when new.

Provisions

- (i) The work of rebuilding, replacing, repairing or restoring as the case may be (which may be carried out upon any other site(s) and in any manner suitable to the requirements of the Insured, but subject to the liability of the Insurer(s) not being thereby increased), must be commenced and carried out with reasonable despatch, failing which the Insurer(s) shall not be liable to make any payment greater than the indemnity value of the damaged property at the time of the happening of the damage.
- (ii) When any property insured to which this memorandum applies is damaged in part only, the liability of the Insurer(s) shall not exceed the sum representing the cost which the Insurer(s) could have been called upon to pay for reinstatement if such property had been wholly destroyed.
- (iii) Property insured under this memorandum is separately subject to the following Co-insurance clause:

In the event of damage to any property insured hereunder at any situation caused by any event hereby insured against, the Insurer(s) shall be

liable for no greater proportion of such damage than the amount that the Insured's declaration of value of property insured at such situation on the day of the commencement of the Period of Insurance bears to the sum representing eighty-five percent (85%) of the cost that would have been incurred in reinstatement if the whole of such property had been destroyed on that day, but not exceeding the Limit of Liability expressed in the Schedule.

Provided that if the sum actually incurred or expended in rebuilding or replacing the damaged property, within the meaning of sub-paragraph (a) of the abovementioned definition of reinstatement, exceeds the amount that would have been payable under this Policy if this memorandum had not been incorporated herein, but is less than the cost of reinstatement as above defined, then the sum so actually incurred or expended shall, for all purposes of this memorandum, be deemed to be the cost of reinstatement of the property.

Provided further that the above clause shall not apply if the amount of the damage does not exceed five percent (5%) of the amount of the Insured's declaration aforementioned.

(iv) No payment beyond the amount that would have been payable under this Policy if this memorandum had not been incorporated herein shall be made until a sum equal to the cost of reinstatement shall have been actually incurred.

Provided that where the Insured reinstates or replaces any lost or destroyed property at a cost that is less than the cost of reinstatement (as defined) but greater than the value of such property at the time of the happening of its loss or destruction, then the cost so incurred shall be deemed to be the cost of reinstatement.

(v) All other Industrial Special Risks and/or Fire and Named Perils insurances covering the property effected by or on behalf of the Insured shall be on a similar reinstatement basis.

Extra cost of reinstatement

Applicable to buildings, machinery, plant and all other property and contents; other than those specified in items (b) to (i) under Basis of Settlement.

This Policy extends to include the extra cost of reinstatement (including demolition or dismantling) of damaged property necessarily incurred to comply with the requirements of any Act of Parliament or Regulation made thereunder or any By-Law or Regulation of any Municipal or other Statutory Authority; subject to the following Provisions and subject also to the terms,

Conditions and Limit(s) or Sub-Limits of Liability of this Policy.

Provisions

- (i) The work of reinstatement (which may be carried out wholly or partially upon any other site(s), if the requirements of the aforesaid Act, Regulation or By-Law so necessitate, subject to the liability of the Insurer(s) not being thereby increased), must be commenced and carried out with reasonable despatch, failing which the Insurer(s) shall not be liable to make any payment beyond the amount which would have been payable under this Policy if this memorandum had not been incorporated herein.
- (ii) The amount recoverable shall not include the additional cost incurred in complying with any such Act, Regulation, By-Law or requirement with which the Insured had been required to comply prior to the happening of the damage.
- (iii) Co-insurance shall not be applied to the amount recoverable under this memorandum and any amount specified shall not be taken into account for Co-insurance purposes in terms set out in any clause contained in this Policy.
- (iv) All other Industrial Special Risks and/or Fire and Named Perils insurances covering the property effected by or on behalf of the Insured shall be on a similar basis.
- (v) If the cost of reinstatement of damaged property insured is less than fifty percent (50%) of that which would have been the cost of reinstatement if such property had been destroyed, the amount recoverable hereunder shall be limited to:
 - (a) the extra cost necessarily incurred in reinstating only that portion damaged; or
 - (b) whilst applying to such property insured, the Sub-Limit stated herein;

whichever is the greater. In the event of a Sub-Limit not being stated in this Policy the Insurer(s) liability shall be limited to the amount as described in sub-paragraph (a) of this provision.

Floor space ratio index (plot ratio)

Subject to the terms, Conditions and Limit(s) or Sub-Limit(s) of Liability of this Policy, in the event of any building(s) being damaged so as to constitute total loss or constructive total loss and, as a result of the exercise of Statutory powers and/or authority by any Government Departments, Local Government or any other Statutory Authorities reinstatement of such building(s) as before is prohibited and reinstatement is

only permissible subject to a reduced floor space ratio index; the Insurer(s) agree(s) to pay in addition to any amount payable on reinstatement of such building(s) the difference between:

(a) The actual cost of reinstatement incurred in accordance with the reduced floor space ratio index.

AND

(b) The cost of reinstatement which would have been incurred had a reduced floor space ratio index not been applicable.

In arriving at the amount payable under (a) and (b) above, any payments made by the Insurer(s) shall include the extra cost of reinstatement, including demolition or dismantling of the insured property, necessarily incurred to comply with the requirements of any Act of Parliament or Regulation made thereunder or any By-Law or Regulation of any Municipal or other Statutory Authority.

Any payment made for the difference between (a) and (b) above shall be made as soon as the said difference is ascertained upon completion of the rebuilding works and certified by the architect acting on behalf of the Insured in the reinstatement of the building(s).

Acquired companies

This Policy extends to include property located in Australia belonging to companies and other organisations, a controlling interest in which is acquired by the Insured during the currency of this Policy; subject to the Insured declaring details of such acquisition within a reasonable period following the date of acquisition. Provided the business of the new acquisition shall be similar to the Business as stated in the Schedule.

For the purpose of this memorandum, a controlling interest shall, in the case of a company, mean the acquisition of shares carrying more than fifty percent (50%) of votes capable of being cast at a general meeting of ordinary shareholders in such company

Co-insurance

Unless otherwise stated herein to the contrary, this Policy is subject to the following Co-insurance memorandum:

In the event of damage to property insured hereunder at any situation caused by any peril hereby insured against, the Insurer(s) shall be liable for no greater proportion of such damage than the amount of the Insured's declaration of value of such property insured, at the situation where the damage occurred, on the day of the commencement of the Period of Insurance bears to the sum representing eighty-five percent (85%) of the actual value of property insured at such situation on

the day of commencement of the Period of Insurance but not exceeding the Limit of Liability expressed in the Schedule.

Provided that this clause shall not apply if the amount of the damage does not exceed 5% of the amount of the Insured's declaration aforementioned.

Provided that in the event of partial loss or damage where property is to be repaired, the Insurer(s) shall pay the cost of restoration of the damaged property to a condition substantially the same but not better nor more extensive than its condition when new and provided further that the liability of the Insurer(s) shall not exceed the sum representing the cost that the Insurer(s) could have been called upon to pay if such property had been wholly destroyed.

Constructive total loss

For the purposes of this endorsement there shall be deemed to be a constructive total loss when the Property Insured specified herein or any part thereof is reasonably abandoned:

- (a) because its actual total loss seems unavoidable, or
- (b) because it could not be preserved from actual total loss without an expenditure which would exceed its repaired and/or recovered value. It is understood and agreed that the words "actual total loss" shall mean loss, destruction or damage (and not merely physical loss, destruction or damage) of or to the Property Insured specified herein or any part thereof.

Changes in a temperature controlled environment

Subject to the following special provisions and subject also to the terms and conditions of the policy except insofar as the same may be varied hereby:

Special Provisions

1. In no case shall the Insurers' liability under this memorandum exceed the amount which would have been payable in erecting a new building in the same condition, size and style as the damaged or destroyed building when new.
2. The work of erecting a new building (which may be carried out upon another site or sites and in any manner suitable to the requirements of the Insured but subject to the liability of the Insurer(s) not being thereby increased) must be commenced and carried out with reasonable despatch, failing which the Insurer(s) shall not be liable to make any payment beyond the amount which would have been payable under the policy if this memorandum had not been incorporated therein.
3. When any building insured under this memorandum

sustains damage and where the amount of such damage is less than the declared value of that building, the rights and liabilities of the Insurer(s) and the Insured in respect of such damage shall be subject to the terms and conditions of the policy, as if this memorandum had not been incorporated therein.

4. No payment beyond the amount which would have been payable under the policy if this memorandum had not been incorporated therein shall be made until a sum equal to the cost of erecting the new building (as defined in the first paragraph of this memorandum) shall have been actually incurred.
5. All other insurances covering the property effected by or on behalf of the Insured shall be on a similar reinstatement basis.

Provided that this memorandum shall not apply to any building registered for preservation under any National or State Act.

If any building is Damaged and due to the exercise of statutory powers or delegated legislation or authority by any government department, local government or other statutory Authority, reinstatement of such building is carried out upon another site, then the abandoned undamaged portion of such building shall be deemed to have been destroyed; provided that if the presence of such abandoned undamaged portion of the building increases the sale value of the original site, the increase in sale value shall be regarded as salvage and the amount thereof shall be payable to the Insurer(s) by the Insured upon completion of any sale of the site or shall be deducted from the total amount otherwise payable by the Insurer(s) under this policy, whichever shall occur later.

All differences relating to the amount of such increase in site value shall forthwith be referred to the decision of two registered valuers; one to be appointed by each of the parties to this policy. If the two valuers do not agree, their differences shall be referred to the decision of a third valuer, appointed by the President of the Australian Institute of Valuers as an expert, whose decision shall be binding.

been destroyed. If the presence of the abandoned foundations increases the sale value of the original site, then such increase shall be regarded as salvage and shall be payable to the Insurer(s) by the Insured upon completion of the sale or shall be deducted from the total amount otherwise payable by the Insurer(s) under the policy, whichever shall occur later.

All differences relating to the amount of such increase in site value shall forthwith be referred to the decision of two registered valuers; one to be appointed by each of the parties to this policy. Application of deductibles
