General Conditions applicable to all Sections of the policy

The following General Conditions apply to all Sections of this policy. Specific conditions appear in some Sections and should be read in conjunction with these General Conditions.

Additional parties

We agree that where this policy insures more than one party, any failure on the part of any of the parties to:

- a) comply with the duty of disclosure under Section 21 of the Insurance Contracts Act 1984, which is set out in the Product Disclosure Statement;
- b) comply with any obligation under this policy (other than the obligation to pay premium); or
- c) refrain from conduct which is dishonest, fraudulent, criminal or malicious,

shall not prejudice the right of the remaining party or parties to indemnity under this policy, provided that such remaining party or parties shall:

- a) be entirely innocent of and have had no prior knowledge of any such failure; and
- b) as soon as practicable after becoming aware of any such failure, advise us in writing of all its relevant circumstances.

Where this policy insures more than one party, it shall apply to each party in the same manner as if a separate policy had been issued to each of them, provided that, in so doing, our limit of liability or the sum insured shown in the certificate of insurance in respect of any one event or claim (and any aggregate limit of liability that may be applicable) for the period of insurance shall not be increased.

We agree to waive all rights of subrogation or action which we may be entitled to against any party to whom cover under this policy extends.

Advancement of defence costs

We agree that in relation to any claim for which indemnity may be available under a section providing liability insurance in this policy:

- a) where indemnity has been confirmed in writing by us, based on our assessment of the claim or the findings from an independent review we may reasonably require, we will meet the defence costs as they are incurred;
- b) where indemnity has been confirmed after taking into consideration your interest and preference we retain the right to take over and conduct the defence and settlement of the claim;
- c) where we have not confirmed indemnity and we elect not to take over and conduct the defence or settlement of any claim, we may at our discretion pay defence costs to which we have consented as they are incurred.

Provided always that advancement of defence costs is at our discretion after taking into consideration your interest and preference, and

- a) in the event that the claim is withdrawn or that indemnity under this policy is subsequently withdrawn or denied, we shall cease to advance defence costs; and
- b) excepting where we have consented to pay defence costs under clause (c) above, we reserve the right to recover any defence costs paid under this Extension from you or the insured person severally according to the respective interests, in the event and to the extent that it is subsequently established by judgment or other final adjudication, that there was no entitlement to indemnity under this policy.

Allocation of costs

If a claim or loss is covered only partly by the policy, and the parties are unable to agree upon an allocation between insured and uninsured portions, the allocation shall be referred for determination to a senior counsel (to be agreed upon or in default of agreement to be nominated by the Chair or President of the local Bar Council) whose determination shall be binding upon the parties and whose fee shall for the purpose of the policy be regarded as part of the defence costs. The allocation shall apply also to payments made before the determination.

Authorisation clause

By acceptance of this policy on behalf of you and your officials and other persons or entities insured by this policy, you agree to act on their behalf with respect to the giving and receiving of any notice of cancellation, the payment of premiums, the receiving of any return premiums that may become due and the acceptance of endorsements or other notices provided for; and you warrant that these individuals and entities have authorised you to act on their behalf.

Automatic reinstatement of limit of liability or sum insured

After we have admitted liability for loss, damage or liability which has resulted in a claim under one or more sections of this policy, the limit of liability or sum insured will be reinstated automatically to the amount shown in the certificate of insurance for the relevant section,

Provided that:

1. this General condition does not apply to the cover provided under:
 - a) General Public and Products Liability Section, for legal liability arising out of your products; or

- b) Part C: Tax Audit; or
- c) any other Section of this policy where the limit of liability or sum insured is limited in the aggregate for all claims in any one period of insurance; and

2. you maintain and safeguard the location(s) and their contents (as defined in Property Insurance Section) at all times.

In consideration of this reinstatement, you must pay any additional premium we may require.

Cancellation

You may cancel this policy at any time by notifying us in writing. If you pay your premium by monthly instalments you will be required to pay us any unpaid instalments that are due up to the date of the policy cancellation.

We may cancel this policy in accordance with the Insurance Contracts Act 1984.

In the event of cancellation, we will be entitled to retain premium for the period during which this policy has been in force. We may also retain any government taxes, duties or levies we cannot recover.

If you have made a claim under this policy and we have paid or agreed to pay the full limit of liability applicable to the period of insurance for any cover under a Section of this policy, no return of premium will be payable for any unused portion of the period of insurance for that cover.

Changes

You must tell us as soon as reasonably practicable of you becoming aware of any significant or material changes in the risk insured under this policy, including any changes to your operations which affect the risk of loss, damage or injury.

We will advise you in writing if we agree to accept the change based on our business guidelines and you must agree to pay any additional premium we may require.

Claims preparation costs

We will pay for costs necessarily and reasonably incurred for the preparation of a claim for which we agree to indemnify you under this policy. The most we will pay is \$35,000 in total any one claim, unless a higher amount is included in the particular Section of the policy.

This benefit does not apply to Part C: Tax Audit.

Credit provider's rights

If a credit provider has an interest in any of your insured property, we may make a payment direct to the credit provider instead of to you in settlement of any claim.

Excess

The excess payable by you in respect of each and every claim under each section of this policy is shown in the certificate of insurance and will be deducted from your loss before applying any limit of liability or sum insured under this policy.

Other than in respect of claims arising as a result of damage by earthquake, if you suffer loss or damage which leads to a claim under more than one Section of this policy, only one excess is payable and this will be the highest applicable excess.

In respect of claims resulting from damage by earthquake, subterranean fire or volcanic eruption, the excess you must pay for claims under Part A: Property and Income Protection is the lesser of \$20,000 or 1% of the total declared values shown in the certificate of insurance for the insured property at the location(s) where the damage occurred. All damage to insured property occurring within a period of 72 hours of the earthquake, subterranean fire or volcanic eruption is regarded as resulting from one event.

For cover provided for Part B: General Liability and, the excess applies to any amount expended by us for defence costs.

Goods and Services Tax

The declared values for this insurance shall exclude the amount of the Goods and Services Tax (GST), but GST will be added to the premium charged for this policy.

You must inform us of the extent to which you are entitled to an Input Tax Credit (ITC) for the premium each time that a claim is made under this policy. No payment will be made to you for any GST liability that you may acquire on the settlement of a claim if you have not informed us of your entitlement or correct entitlement to an ITC.

Notwithstanding anything contained in this policy, our liability in respect of a claim under this policy will be calculated taking into account:

- a) any Input Tax Credit (ITC) to which you are entitled for any acquisition relevant to a claim, or to which you would have been entitled if you were to have made the relevant acquisition; and
- b) for claims under Part B: General Liability, the GST exclusive amount of any supply made by you which is relevant to your claim.

If the limit of liability, sub limit of liability or sum insured is not sufficient to cover your loss, we will only pay GST (less any relevant ITC) that relates to our proportion of your loss. We will pay the GST amount in addition to the limit of liability, sub limit of liability or any sum insured.

For the purposes of this General condition, 'GST', 'ITC', 'acquisition' and 'supply' have the meaning given in the A New Tax System (Goods and Services Tax) Act 1999.

Headings

In this policy, unless the context otherwise requires, headings are merely descriptive and not to aid interpretation.

Governing law and jurisdiction

This insurance policy shall be governed by and construed in accordance with the laws of the Commonwealth of Australia and the State or Territory where the policy was issued. Any disputes shall be exclusively subject to determination by the courts of the Commonwealth of Australia.

Limit of liability

The cover we provide under each Section of this policy in respect of a claim shall not exceed the limit of liability or sum insured applicable to the Section or any relevant sub limit of liability shown in the Section or shown in the certificate of insurance.

Our total liability during any one period of insurance for all claims arising out of the cover provided under:

- a) General Public and Products Liability Section for legal liability arising out of your products;
- b) Part C: Tax Audit; and
- c) any other Section or Part of this policy where the limit of liability, sum insured or sub limit of liability is limited in total in the period of insurance;

shall not exceed the applicable aggregate limit of liability, sum insured or sub limit of liability shown in the relevant Section or Part of the policy or in the certificate of insurance.

Monthly instalments

You may pay your premium by monthly instalments direct from a financial institution. You should note that this may incur an additional cost. However, if any monthly instalment is dishonoured by your financial institution this policy may not operate. We may refuse to pay a claim in whole or in part if, at the date of a loss or claim, any monthly instalment has remained unpaid for at least 14 days, unless we have agreed otherwise in writing.

If you have a total loss or we settle your claim by paying the full limit of liability or total sum insured under any Section of this policy, we will deduct outstanding instalments for that Section from the amount we pay you.

Should the financial institution holding your account return or dishonour a direct debit payment due to lack of funds in your account, we will charge you for any direct or indirect costs which we incur arising from the payment being returned or dishonoured.

Notices

Any provision of the policy requiring notices and communications to be given in writing shall be deemed to be complied with if delivered to the recipient electronically.

Payment of rewards

In addition to the amount of cover provided in this policy, we will pay up to \$5,000 for the reimbursement of any public reward expense paid by you to recover your insured property or to identify the offenders responsible for its damage.

The terms of the reward must be agreed by us and approved by the relevant Authority before being offered; and our payment will not exceed the value of the property lost destroyed or damaged.

We agree not to unreasonably withhold consent to the terms or the amount of any reward payable under this policy provision nor does our offer to pay such reward in any way limit the amount of any reward you may wish to offer for your own account.

Precautions by insured

You are required to take reasonable and practicable:

- a) precautions to prevent loss or damage to insured property;
- b) measures to ensure that your location(s), not being used or occupied for extended periods of time, are maintained in a reasonable condition of upkeep;
- c) precautions to prevent loss, damage or injury to third parties;
- d) measures to comply with all statutory obligations, regulations and safety requirements imposed by any authority;
- e) actions at your own expense to race, recall or modify any of your products containing any defect or deficiency of which you have knowledge or have reason to suspect, including any such products subject to government or statutory ban; and
- f) measures to minimise any interruption of or interference with the carrying out of your operations to avoid or diminish any loss.

Service of legal process

You may effect service of any legal process on us in connection with this policy by delivering that process by hand or by post to the address for service stated in the certificate of insurance and such service shall be deemed to be personal service upon us.

Spouse, estate and legal representatives

This policy will provide cover for the lawful spouse, estate, heirs, legal representatives or legal assigns of any natural person insured under this policy in the event of their death or legal incapacity, to the extent to which such person would have been entitled to indemnity under this policy had such death or legal incapacity not occurred and provided always that such spouse, successors, representatives or assignees shall observe and be subject to all the terms of this policy so far as they can apply.

Third party interests

You cannot transfer interests in this policy without our written consent.

All persons entitled to any benefit under this policy are bound by the terms of this policy.

Except where we state otherwise in this policy, we insure only those interests you notify to us when we issue cover or which are notified to us during the currency of this policy and which we agree to insure.

Unoccupied and/or unused location(s)

Excepting for damage to insured property by:

- a) lightning, earthquake, volcanic eruption and subterranean fire; or
- b) impact by any road vehicle of their loads, animals trees, or branches, meteorite, aircraft or other aerial devices or articles dropped from them, sonic boom or space debris, falling communication masts, towers or antennae or dishes, falling parts of buildings or structures which do not belong to you;

cover under the Sections Property Insurance, Loss of Money and Theft of Insured Property of Part A will cease if the location(s) becomes unoccupied for a period of more than 100 consecutive days. Cover under Income Protection Section of Part A will provide an indemnity for loss of income and such reasonable expenditures certified by your accountant in consequence of damage to insured property from any excepted peril or circumstance described in clauses a) and b) above. You must advise us if the location(s) becomes unoccupied for a longer period and, if we will continue to insure you, we will confirm to you in writing the terms, conditions and coverage available.

Unoccupied means left vacant whether furniture or other contents remain or not.

Waiver of rights

If you have agreed not to seek compensation from another person who is liable to compensate you for any loss, damage or liability which would have been covered by this policy, we will not cover you under this policy for that loss, damage or liability other than to the extent provided under any Section of this policy or agreed by us in writing.

Claim Conditions applicable to all Sections of the policy

The following Claims Conditions apply to all sections of this policy. Further conditions appear in some sections of this policy and should be read in conjunction with these Claim Conditions.

Your responsibility when making a claim

NOTE: Subject to Section 54 of the Insurance Contracts Act 1984, failure to forward to us any writ or summons served upon you within the time stipulated may result in us refusing to indemnify you

1. As soon as reasonably practicable after becoming aware of any occurrence, accident or event that may give rise to a claim against you or us, you or your legal representative must:
 - a) advise details to us, and then send written confirmation within thirty (30) days or for a longer period subject to our consent, which shall not be unreasonably withheld;
 - b) take all reasonable steps to minimise the loss, damage or liability, or to prevent any further loss, damage or liability.
 - c) use your reasonable endeavours to preserve any damaged or defective appliances, plant or things that may be necessary or useful by way of evidence in connection with any claim and, so far as reasonably possible, with due regard for safety, no alteration or repair shall be made without our consent. Such consent shall not be unreasonably withheld;
 - d) where reasonably practicable retain all damaged property for inspection by us;
 - e) advise the nearest police station in the case of property lost, stolen or vandalised, and obtain a written police report if requested by us;
 - f) advise us of any impending prosecution or inquest;
 - g) forward to us every communication, writ or summons within a reasonable period of receipt by you or service upon you.

2. Where a claim arises, you must not authorise repairs to, or arrange replacement of, any of the property relevant to the claim without our consent other than as provided for under 1(c) above. Such consent shall not be unreasonably withheld.
3. Subject to the provisions of the Insurance Contracts Act 1984, you, or any party or person making a claim under this policy, must not make any admission of liability or payment or promise or offer of payment in connection with any such claim, without our written consent. Such consent shall not be unreasonably withheld.
4. At your own expense, you will furnish us with such books of account and other business books, computer records, vouchers, invoices, balance sheets, and other documents, proofs, information, explanations and other evidence together with a statutory declaration as we may reasonably require for the purpose of investigating or verifying a claim under this policy and you and your accountants must provide reasonable cooperation in this regard.
5. You, or any other person entitled to claim under this policy, must furnish us with a statement giving details of other insurances that may also provide cover on any property or liability hereby insured.
6. If we agree to indemnify you under any section of this policy in respect of a claim, we will make progress payments to you on account of that claim at such intervals and for such amounts as may be mutually agreed.
7. We may appoint a loss adjuster or investigator to make enquiries and render assistance to you on our behalf in the conduct of your claim. You must provide reasonable cooperation with any such appointee.

Conduct of claims

When you make a claim for indemnity against Part B: General Liability or Part C: Organisation Liability, we shall, after taking into consideration your interest and preference, have the right to conduct your defence, instruct lawyers to provide advice as to your liability and represent you.

Letters of demand, other proceedings

You must as soon as reasonably practicable:

- a) forward to us every letter of demand, writ, summons, or legal process of any description upon receipt or service thereof; and
- b) inform us in writing of any prosecution, inquest or fatal accident inquiry of which you are given notice.

You are required at your expense:

- a) to take all reasonable steps to prevent or minimise any personal injury, property damage, loss arising from carrying out your professional duty or duty as an official or other loss and to prevent further claims arising out of the same or similar conditions;
- b) to use your reasonable endeavours to preserve any products, appliances, plants, files, notes, memoranda, or other documents or things which might prove necessary or useful by way of evidence in any way connected with any claim; and
- c) so far as may be reasonably practicable, with due regard to safety and your responsibilities under sub-clause (a) above, you must not permit any other alteration or repair to any building, fencing, machinery, furnishings, fittings, appliances or plant without our consent. Such consent shall not be unreasonably withheld.

For liability claims, in the event of a dispute between us and you, or between us and any official about whether legal proceedings should be contested, a senior counsel (mutually agreed upon by us and you or the official or, in default of such agreement, selected by the chairman or president of the local Bar Council) will be retained to advise on whether such proceedings should be contested. In formulating such advice, senior counsel shall take into consideration the damages and costs which are likely to be recovered by the plaintiff, the likely defence costs and the prospects of you or the official successfully defending the action.

The costs of such senior counsel's opinion shall, for the purpose of this section, be regarded as part of the defence costs. In the event that counsel advises that, having regard to all the circumstances, the matter should not be contested but settled within certain limits which, in senior counsel's opinion, are reasonable, then you or the official shall co-operate with us to effect such settlement in accordance with this policy. Any such settlement by us shall constitute a full and final discharge of our liability under the policy in relation to the matter.

If you refuse to consent to any settlement recommended by us and elect to contest or continue any legal proceedings in connection therewith, our liability for the claim shall not exceed the amount for which the claim could have been settled, less the applicable excess, plus defence costs incurred with our prior consent up to the date of such refusal. Our prior consent shall not be unreasonably withheld.

Allocation of Subrogation Proceeds

Notwithstanding Section 67 of the Insurance Contracts Act (Cth), monies recovered in subrogation proceedings will be applied, net of the expense of such recovery:

- a) first to you to the extent of your uninsured loss in respect of a claim paid under a Section of this policy, (other than the amount of any excess applicable);
- b) secondly to us in reimbursement of the amount paid to you in respect of that claim under that Section; and
- c) thirdly to you in satisfaction of any excess applicable.

Any other monies remaining after these allocations will be your property.

Nothing in this Condition shall prevent you and us entering into a 'Subrogation Agreement' following a loss agreeing to a different basis of sharing defence costs and the allocation of monies recovered

Fraudulent claims

As a protection for all insurance policyholders, we will take legal action against any person who makes a fraudulent claim.
